## “PRIVATE FISHING LESSONS”

WITH CAPTAIN ERNEST MILLER  
OF LAST CAST CHARTERS  
AND ONE NIGHT STAY AT HESS LAKE RENTALS  
IN NEWAYGO COUNTY, MI

### Lake Fishing Adventures in Newaygo County, MI

Spend the day floating on Hess Lake (or nearby lake of your choice) and stay one night at Hess Lake Rentals.

No one can promise that you will catch fish all the time. Fish, after all, would just as soon never taste a hook or feel the sizzle of a frying pan. For as long as we have been catching fish, fish have also been outsmarting us. That's why they call it fishing and not catching, goes the old saying.

For those of you who have never fished, you will learn enough to get you started. Once you have a few basic pointers, fishing is as easy as falling off a log (which is something you want to avoid, as the splash will scare the fish). Captain Ernest, a knowledgeable and experienced angler, will provide step by step instructions along with helpful insight into patterns of fish to help you be more successful on your home waters. No matter how much you know, there are still a couple of tricks that even the oldest angler can pick up.

Fishing is a great joy and a lifetime sport. You will find that there are successful fishing days and unsuccessful fishing days, but there is no such thing as a bad fishing day. Captain Ernest can make fishing easier and more rewarding for you every time you pick up your rod and reel.
